

**NEW JERSEY STATUTES AND CODES****48:2-13 - Powers of board; public utility defined; exemptions from jurisdiction**

48:2-13 Powers of board; public utility defined; exemptions from jurisdiction

48:2-13. a. *The board shall have general supervision and regulation of and jurisdiction and control over all public utilities as defined in this section and their property, property rights, equipment, facilities and franchises so far as may be necessary for the purpose of carrying out the provisions of this Title.*

*The term "public utility" shall include every individual, copartnership, association, corporation or joint stock company, their lessees, trustees or receivers appointed by any court whatsoever, their successors, heirs or assigns, that now or hereafter may own, operate, manage or control within this State any railroad, street railway, traction railway, autobus, charter bus operation, special bus operation, canal, express, subway, pipeline, gas, electricity distribution, water, oil, sewer, solid waste collection, solid waste disposal, telephone or telegraph system, plant or equipment for public use, under privileges granted or hereafter to be granted by this State or by any political subdivision thereof.*

*b. Nothing contained in this Title shall extend the powers of the board to include any supervision and regulation of, or jurisdiction and control over any vehicles engaged in ridesharing arrangements with a maximum carrying capacity of not more than 15 passengers, including the driver, where the transportation of passengers is incidental to the purpose of the driver or any vehicles engaged in the transportation of passengers for hire in the manner and form commonly called taxicab service unless such service becomes or is held out to be regular service between stated termini; hotel buses used exclusively for the transportation of hotel patrons to or from local railroad or other common carrier stations, including local airports, or bus employed solely for transporting school children and teachers, to and from school, or any autobus with a carrying capacity of not more than 10 passengers now or hereafter operated under municipal consent upon a route established wholly within the limits of a single municipality or with a carrying capacity of not more than 20 passengers operated under municipal consent upon a route established wholly within the limits of not more than four contiguous municipalities within any county of the fifth or sixth class, which route in either case does not in whole or in part parallel upon the same street the line of any street railway or traction railway or any other autobus route.*

*c. Except as provided in section 7 of P.L. 1995, c. 101 (C.58:26-25), the board shall have no regulatory authority over the parties to a contract negotiated between a public entity and a private firm pursuant to P.L. 1995, c. 101 (C.58:26-19 et al.) in connection with the performance of their respective obligations thereunder. Nothing contained in this title shall extend the powers of the board to include any supervision and regulation of, or jurisdiction and control over, any public-private contract for the provision of water supply services established pursuant to P.L. 1995, c. 101 (C.58:26-19 et al.).*

*d. Unless otherwise specifically provided pursuant to P.L. 1999, c. 23 (C.48:3-49 et al.), all services necessary for the transmission and distribution of electricity and gas, including but not limited to safety, reliability, metering, meter reading and billing, shall remain the jurisdiction of the Board of Public Utilities. The board shall also maintain the necessary jurisdiction with regard to the production of electricity and gas to assure the reliability of electricity and gas supply to retail customers in the State as prescribed by the board or any other federal or multi-jurisdictional agency responsible for reliability and capacity in the State.*

*e. Notwithstanding the provisions of subsection a. of this section, the board shall have the authority to classify as regulated the sale of any thermal energy service by a cogenerator or district*
